

To our wonderful guests and supporters, both past and present,

It is with great sadness, that we announce the cancellation of our 2020 season for See Sight Jetboats for tours and dock space rental. This was not a decision that was made lightly, but unfortunately it was the decision we had to make. Please rest assured that we will be back in 2021 and we can't wait to take you into the heart of the Reversing Falls Rapids in the Bay of Fundy.

We've come to very much love the community here in Saint John. We had plans to introduce a new thrill ride this year and have a big launch party to kick off the summer. Due to the COVID-19 pandemic, we've had to put those plans on hold.

There's a lot of planning and investment that goes into getting ready for operations each summer. We rely on travelers to the area, including cruise ship travelers and unfortunately, with so much uncertainty this year, it just didn't make sense for us to continue down that path of planning.

We look forward to a safe and healthy operating season in 2021 and we're very excited to introduce the new thrill ride and celebrate with the community next year.

Until then, stay safe and take care of each other.

Yours truly,

The See Sight Jetboats team
